

As traditional gender barriers disappear, Women are surpassing males in educational and professional life.

Not that long ago, there were no sports for women. Girls had no choice but to become cheerleaders and cheer the boys from the sidelines. Today these roles are reversing.

“Women are not equal to men; they are superior in many ways, and in most ways that will count in the future. It is not just a matter of culture or upbringing. It is a matter of chromosomes, genes, hormones, and nerve circuits.”

~ Melvin Konner (Emory University)
